Waste & Recycling Carts COMING TO HOWICK!

Waste Management is transitioning to automated waste and recycling curbside collection in Howick Township. Estimated delivery for the new garbage and recycling waste carts is mid-Summer 2026. 64-gallon waste carts and 95-gallon recycling carts will be provided and delivered to all residential properties. Commercial, industrial and institutional properties will receive waste carts only. A minimum of 30 days notice will be provided before cart curbside collection begins to ensure that everyone is ready for this change.

Once cart collection begins, garbage bag tags will no longer be accepted. Information will continue to be shared via the What's Happening in Howick newsletter, and the Howick Township website, Facebook and Instagram pages. At this time, there are no plans to offer refunds or a buy-back program for unused bag tags purchased by residents.

If you have purchased an abundance of bag tags that you anticipate not being able to use, consider re-selling them directly to neighbours, friends or family members to use in the coming months before they become obsolete.

Provincially Legislated Blue Box Changes for Howick Township - Beginning January 1, 2026
