

**Township of Howick Special Council Agenda  
Tuesday, December 16, 2025 at 10:00 a.m.  
2026 Municipal Budget – Draft #1**

**1. Call to Order**

**2. Acceptance of Agenda**

**Recommended Motion:**

That Council of the Township of Howick accept the Agenda for the December 16, 2025 Special Council Budget Meeting, as presented.

**3. Declaration of Pecuniary Interest and the General Nature Thereof**

**4. Staff Reports**

**4.1 Fire Chief/Manager of Development & Protective Services - Josh Kestner**

**4.1.1 [FIR- 2025-26](#), Writing off of Unpaid Fire Invoices**

**Recommended Motion:**

That the Council of the Township of Howick receive report FIR-2025-26 for information purposes;

And further that Council approving the writing off of Fire Invoice # 0013796 in the amount of \$1,553.75, and Fire Invoice # 0013531 in the amount of \$1,548.10 to be paid out of the 2025 Operating Budget.

**4.1.2 [FIR-2025-27](#), Car 2 Extended Warranty**

**Recommended Motion:**

That the Council of the Township of Howick approve the purchase of the extended warranty for Car 2 (2022 F-150) at a cost of \$6,621.31 minus recoverable HST, to be drawn from the Fire Reserve.

**4.2 Chief Administrative Officer/Clerk Caitlin Gillis**

**4.2.1 [AMD-2025-27](#), Changes to Recycling Program**

**Recommended Motion:**

That the Council of the Township of Howick hereby receives the report of the Chief Administrative Officer, dated December 16, 2025, regarding upcoming changes to recycling programming in the Township of Howick effective January 1, 2026;

And That Council directs staff to Option#X as identified in staff report ADM-2025-27 regarding the recycling disposal options for Industrial, Commercial and Institutional (ICI) properties within the boundaries of the Township of Howick as of January 1, 2026.

**4.2.2 AMD-2025-28, 2025 IT Review**

**Recommended Motion:**

That the Council of the Township of Howick hereby receives report ADM-2025-28 of the Chief Administrative Officer/Clerk, dated December 16, 2025, regarding the 2025 IT Review;

And That Council authorizes the CAO/Clerk to engage Fort44., GHD and Wightman Telecom for the provision of fractional IT services, website design and hosting, and Voice over Internet Protocol (VoIP) phone system for the Corporation of the Township of Howick;

And that the Reeve and CAO/Clerk be authorized to sign the associated agreements.

**5. Budget Presentation and Discussion**

The purpose of this meeting is for Council to provide direction to staff on the first draft of the 2026 municipal budget. Treasurer Amy Van Meeteren will present the draft budget, with each Department Head presenting their department's capital and operating budgets for Council's consideration.

**5.1 FIN-2025-40, 2026 Municipal Budget – Draft #1**

**Recommendation:**

That the Council of the Township of Howick receive report FIN-2025-40 for information;

And That Council provide staff with direction regarding any changes to the 2026 Municipal Budget.

The sections of the budget will be presented in the following order:

- 5.2 Budget Comparisons, Draft # 1 Budget Summary, Reserves, Donations, Village Management Boards**
- 5.3 General Government and Administration – Treasurer, Amy Van Meeteren and Clerk-Administrator Caitlin Gillis**
- 5.4 Fire Chief/Manager of Development & Protective Services - Josh Kestner**
- 5.5 Building Department – Chief Building Official – Ed Podniewicz**
- 5.6 Public Works and Landfill – Manager of Public Works, Scott Price**
- 5.7 Recreation Department – Manager of Recreation, Brady Ropp**
- 5.8 Drainage Superintendent – Scott Richardson**
- 5.9 Planning/Economic Development – Treasurer, Amy Van Meeteren**
- 5.10 Questions/Comments from Council**
- 5.11 Questions/Comments from Public**

## **6. Confirming By-law**

### **By-law 62-2025**

Being a by-law to confirm the proceedings of the Special Council Meeting held on December 16, 2025.

## **7. Adjournment**

### **Recommended Motion:**

That the Council of the Township of Howick adjourn the December 16, 2025 Special Council meeting at \_\_:\_\_ p.m.

If any member of the public would like more information on an agenda item, please contact the Clerk's office at 519-335-3208 Ext. 2 or email [clerk@howick.ca](mailto:clerk@howick.ca), alternative formats of this publication available upon request.

## Township of Howick

### Department: Development & Protective Services

---

**To:** **Council Meeting**

**Meeting Date:** **December 16, 2025**

**Report Title:** **Writing Off of Unpaid Fire Invoices**

---

#### **1. Recommendation:**

**That the Council of the Township of Howick receive report FIR-2025-26 for information purposes;**

**And further that Council approving the writing off of Fire Invoice # 0013796 in the amount of \$1,553.75, and Fire Invoice # 0013531 in the amount of \$1,548.10 to be paid out of the 2025 Operating Budget.**

#### **2. Purpose/Issues:**

Staff have multiple attempts to collect the amount owing for invoices 0013796 and 0013531 since 2024. It is not likely that these invoices will be paid, and staff are seeking Council's approval to write off these invoices before they accrue additional interest.

#### **Report Highlights:**

- Fire Invoice # 0013796 is for an accident in Wroxeter on October 18<sup>th</sup>, 2024. It is for \$1,553.75.
- Fire Invoice # 0013531 is for an accident on Belmore Line on May 21<sup>st</sup>, 2024. It is for \$1,548.10.
- Multiple attempts were made to collect the amounts owing.
- Neither of the persons invoices are property owners in Howick, meaning there are no other options for collection at this time.

#### **4. Background:**

The Fire Department invoices persons involved in motor vehicle collisions for services rendered by the Department at the accident scene. These invoices are typically paid by insurance companies. Occasionally, the invoices go unpaid. Multiple attempts are made to collect, however there is little recourse for non-residents of Howick.

Both of the above-mentioned invoices do not belong to property owners. The longer they go unpaid, the higher the interest on the invoice becomes. Staff believe at this

point that neither invoice will be paid and are recommending writing them off to avoid showing a higher loss of revenue.

Staff will investigate other collection options in the future, including the use of a collections agency as another tool for recovering these invoices.

#### **5. Financial Implications:**

Total lost revenue - \$3,101.85

#### **6. Conclusion / Next Steps:**

Staff will write off the two unpaid invoices and continue to investigate additional methods for debt recovery going forward.

#### **8. Attachments**

- [Appendix A](#) – Invoice #0013796
- [Appendix B](#) – Invoice #0013531

**Respectfully submitted by:**

**Josh Kestner – Manager of Development and Protective Services / Fire Chief**

## Township of Howick

### Department: Development & Protective Services

---

**To:** **Council Meeting**

**Meeting Date:** **December 16, 2025**

**Report Title:** **Car 2 Extended Warranty**

---

#### **1. Recommendation:**

**That the Council of the Township of Howick approve the purchase of the extended warranty for Car 2 (2022 F-150) at a cost of \$6,621.31 minus recoverable HST, to be drawn from the Fire Reserve.**

#### **2. Purpose/Issues:**

Council directed staff to investigate costs of an extended warranty package for the recently purchased 2022 F-150 (Car 2) for use by the Fire Department. Council was presented options through electronic mail, and the majority delegated the decision to the Manager of Development and Protective Services / Fire Chief. An extended warranty was added to the purchase of the vehicle, but as it was not included in the original report to Council, the funds must be formally approved to be withdrawn from the Fire Reserve.

#### **3. Report Highlights:**

- \$45,000.00 was approved for the purchase of a 2022 Ford F-150, now designated Car 2, to be drawn from the Fire Reserve.
- Council directed staff to look into extended warranty options.
- Staff selected the “Platinum” warranty package, at a cost of \$6,621.31.
- The additional funds will also be drawn from the fire reserve.

#### **4. Background:**

The Fire Department recently purchased a used 2022 Ford F-150 from Strickland Toyota in Stratford Ontario. As this was a used vehicle, there was little factory warranty remaining. Council expressed interest in an extended warranty, given recent mechanical issues with the Fire Department's previous utility truck, and directed staff to explore options. These options were presented to Council via electronic mail, where Council directed staff to proceed with purchasing an extended warranty using staff's discretion.

The “Platinum” warranty package through SAL Protection Plan covers a variety of mechanical and electrical costs for an additional 200,000 kms (approximately 270,000kms total as of time of purchase). This package is believed to be of the best value compared to the cost of the lower tier packages and will cover the entire expected service life of the vehicle.

As this warranty was not included in the original report to Council outlining the purchase of Car 2, it needs to be formally approved by Council.

### **5. Financial Implications:**

Cost of the extended warranty including HST - \$6,621.31

The majority of the HST on this purchase will be recoverable.

### **6. Conclusion / Next Steps:**

Staff will continue to work towards the completion of the Car 2 purchase and implementation and will ensure all stipulations of the extended warranty are met in order to ensure proper coverage for years to come.

<sup>1</sup>Platinum package includes: engine, transmission, differential(s)/transfer case, seals and gaskets, air conditioning, electrical, brake system, steering system, suspension, electronic high-tech

## COMPLIMENTARY BENEFITS\*

- 24/7 Roadside assistance
- Rental and trip interruption (included under Top-up and Platinum; optional under Bronze, Silver and Gold)
- Reducing deductible
- Transferability
- No out-of-pocket expenses

## BRONZE (clauses 1 to 4)

### 1. Engine

Engine block and cylinder head(s) (when damaged from within) and all internally lubricated parts including: crankshaft, crankshaft main bearings, connecting rods, connecting rod bearings, camshaft, camshaft bearings, timing chains and gears, timing chain guides, pistons, rings and wrist pins, intake and exhaust valves, valve springs and retainers, rocker arms, shafts and pivots, push rods, hydraulic lifters, valve covers, oil pan, oil pump, dipstick and tube.

### 2. Transmission/Transaxle

All internally lubricated parts (when damaged from within) including: housing, torque converter, valve body, gear sets, main and intermediate shafts, vacuum modulator, oil pump. Excluded: external linkages, shifter, manual clutch disc, pressure plate and release bearing.

### 3. Differential(s)(including auxiliary differential)/Transfer Case

Housing/case (when damaged from within) and all internal parts including differential cover.

### 4. Hybrid components

High-voltage cable, inverter/converter, powertrain electric motor and generator of the regenerative brake system, propulsion battery. If the battery requires repair or replacement, the high-voltage battery may be repaired or replaced by a new, upgraded or similar type and quality. For residential charging stations (new only and up to 220 volts), we will pay the reasonable cost of its repair or replacement (service call and diagnostic charges are not eligible; spare parts will only be of the same type and quality). To qualify for this option, the charging station must be purchased at the same time as the vehicle.

## SILVER (clauses 1 to 7)

### 5. Seals and gaskets

All those used to contain fluids and lubricants within the eligible parts.

### 6. Turbocharger

Manufacturer-installed (OEM) only: Housing (when damaged from within) and all internal parts including Intercooler, waste gate controller and hard lines.

### 7. Supercharger

Manufacturer-installed (OEM) only: housing (when damaged from within) and all internal parts including bypass valve, clutch and pulley.

## GOLD (clauses 1 to 13)

### 8. Air conditioning

(Includes rear/auxiliary a/c) compressor, clutch assembly and pulley, evaporator, accumulator, receiver dryer, expansion valve, orifice tube, idler pulley and bearing.

### 9. Electrical components

Starter motor and solenoid, alternator and voltage regulator, electronic ignition module (excluding ecm's), windshield wiper motors and washer pumps (front and rear), heater/a/c blower motor (front and rear) and horn assembly.

### 10. Brake system

Master cylinder, vacuum assist booster, proportioning valve, disc brake calipers (front and rear), flexible brake fluid hoses, rear wheel cylinders, backing plates and return springs, steel brake lines, brake linkages and emergency/hand brake cables.

### 11. Steering components

Rack and pinion, power steering pump, reservoir and pulley, steering gear box, power steering hoses, pitman arm, idler arm, center link, steering knuckle/spindles, main and intermediate shafts, power steering cooler and lines.

### 12. Front and rear suspension

Upper and lower ball joints, upper and lower control arms, control arm shafts and bearings or bushings, torsion bars and mounts or bushings, stabilizer bars, links and bushings, spindles.

### 13. Fuel injection

(Gas and diesel) fuel pump, fuel injectors, fuel injector lines, fuel injector regulator and injection/distribution pump.

## TOP-UP (5 plus clauses 8 to 14)

### 14. Electronic high-tech

Anti-lock brakes (ABS)/traction control (TCS) module, exciter rings, pump motor/hydraulic unit including relays, accumulators, pressure modulator and valve assembly, electronic climate control module, electronic ignition and fuel injection computer control module (ECM), cruise control servo, transducer and cable, main electronic instrument cluster (display for speed, odometer, temperature, tachometer, oil pressure, fuel and voltage), keyless entry door control keypad, power door lock actuators and switches, power window motors, power seat motors, power antenna, exterior mirror motors, sunroof motor, convertible top motor, hidden headlamp door motors, automatic load leveling compressor motor and electronic trunk release actuator.

## PLATINUM (clauses 1 to 28)

### 15. Platinum engine

Intake and exhaust manifolds, timing belt tensioner and cover, harmonic balancer and pulley, engine mounts and all seals and gaskets used to contain fluids and lubricants within the above described parts.

### 16. Platinum transmission

Powertrain control module, shift control sensors, transmission cooler, mounts, oil pan and all seals and gaskets used to contain fluids and lubricants within the above described parts.

### 17. Platinum differential(s)/Transfer case

Locking hubs, drive shafts and universal joints, axle shafts and constant velocity joints, center support bearings, front wheel bearings, 4WD/AWD transfer case actuator/viscous coupler and all seals and gaskets used to contain fluids and lubricants within the above described parts.

### 18. Platinum seals and gaskets

Every eligible repair includes the replacement of coolants, refrigerants, transmission fluid and filter, engine oil and filter, hydraulic fluid and lubricants, when required as a result of a failure of an eligible component.

### 19. Platinum air conditioning

Condenser, refrigerant lines, high/low pressure cycling switch, oil and refrigerant.

### 20. Platinum electrical components

Engine wiring harness, transmission wiring harness, crankshaft angle sensor, camshaft sensor, knock sensor, ignition switch and lock cylinder and manual heat/A/C control head.

### 21. Platinum brake system

ABS electronic control processor, isolation/dump valve and wheel speed sensors.

### 22. Platinum steering components

Steering dampener, internal tilt steering wheel mechanism, inner and outer tie rod ends and drag links, rear wheel steering: electronic control unit/solenoid, phase control unit, stepper motor, power cylinder and pump, rack and pinion, control valve, steering shaft and couplers.

### 23. Platinum suspension

Variable dampening suspension compressor, control module, actuator, solenoid, height sensor, mode selector switch, front and rear wheel bearings.

### 24. Platinum electronic high-tech

Ignition coil(s)/coil packs and housing, oxygen/nox sensors, power seat, door lock and rear defogger switches.

### 25. Body interior and hardware

Fuel door, trunk and hood release cables.

### 26. Fuel delivery components

Fuel tank, sending unit, metal fuel delivery lines and vacuum pump.

### 27. Cooling system components

Radiator fan motor, water pump, clutch fan, serpentine belt tensioner, heater core, thermostat and hot water

### 28. Diagnostic costs

## OPTIONS (available with a surcharge)

### 1. Ultra high-tech

Driver's video display screen including: DVD, GPS/navigation unit, Bluetooth, radio head unit, HVAC controls and backup camera, backup camera sensors, BCM, keyless ignition push button, blind spot detection sensors, heated seat elements, advanced keyless entry (hands-free) door handles and sensors, power sliding door motor, rear tailgate/hatch/trunk motors and power tilt/folding/telescopic mirror motors.

### 2. Zero deductible

**Township of Howick**

**Department: Administration/Clerk**

---

**To:** **Council Meeting**

**Meeting Date:** **December 16, 2025**

**Report Title:** **Changes to Recycling Program**

---

**1. Recommendation:**

**That the Council of the Township of Howick hereby receives the report of the Chief Administrative Officer, dated December 16, 2025, regarding upcoming changes to recycling programming in the Township of Howick effective January 1, 2026;**

**And That Council directs staff to Option#X as identified in staff report ADM-2025-27 regarding the recycling disposal options for Industrial, Commercial and Institutional (ICI) properties within the boundaries of the Township of Howick as of January 1, 2026.**

**2. Purpose/Issues:**

The purpose of this report is to update Council on changes to recycling programs in the Province of Ontario, and how this will specifically impact Howick. These mandatory changes will be effective January 1, 2026.

**3. Background:**

Under the *Resource Recovery and Circular Economy Act, 2016*, Ontario's Blue Box Regulations have shifted the responsibility of Recycling Programs to the group of companies who produce the packaging. Under the old Blue Box system, communities shared in these costs; under this Act, producers are now responsible for funding and operating the recycling system. Circular Materials Ontario (CMO) is managing this process for Ontario.

CMO has developed, implemented and supported the creation of effective recycling programs in Ontario, to assist in meeting regulatory requirements. They have created, maintained and managed the contracts across the entire supply chain. Ontario is required to transition to extended producer responsibility where the businesses that sell packaging and paper products to consumers will be financially and operationally responsible for collecting, processing and recycling those same materials.

CMO became the administrator of the common collection system for blue box materials in Howick on July 1, 2024. Since July 1, 2024, CMO has reimbursed Howick \$3.86 for each of the 1515 households that receive curbside recycling collection. CMO also currently pays Howick Township \$1,638.00 per month to operate the recycling depot at the Howick Landfill. Both agreements expire on December 31, 2025.

CMO will fully take over the management of curbside recycling collection beginning January 1, 2026, with Waste Management acting as their subcontractor. Howick's responsibilities will only be for education and delivery of program information going forward. CMO has created municipal specific educational material that will be made readily available to residents via numerous communication channels to help streamline the process. Howick staff will circulate this educational material to residents regarding the changes.

Under the new legislation, recycling produced by Industrial, Commercial and Institutional Properties (IC&I) is considered to be non-eligible and cannot be co-collected with residential recycling through the existing curbside collection method. IC&I properties are classified as:

- Manufacturing facilities
- Multi-residential units of 6 units or more
- Retail and grocery stores
- Malls
- Restaurants
- Offices
- Hotels
- Stadiums
- Large Construction & Demolition Projects
- Airports
- Schools
- Hospitals
- Community Halls and Arenas

The Township of Howick previously agreed to pay for the collection of IC&I properties through to December 31, 2025 while the sub-contract was able to still co-collect. In October 2025, the Ontario Minister of Environment, Conservation and Parks notified municipalities in Ontario that after December 31, 2025, curbside co-collection of IC&I recycling would no longer be allowed through the legislation, even if municipalities wished to continue offering this service to IC&I properties. IC&I properties will be responsible for sourcing their own recycling collection and disposal. If placed at the curb after January 1, 2026, it will not be collected.

Representatives from Circular Materials have also recently confirmed that they will no longer be collecting or utilizing the recycling depot at the Howick Landfill effective January 1, 2026. This means that the Howick Landfill will not be able to accept recycling from IC&I properties, as recycling bins at the landfill will no longer be emptied by Waste Management under their contract with Circular Materials.

Staff are requesting direction from Council on how to proceed with collection for IC&I properties after December 31, 2025.

With residential recycling collection and disposal now being removed from municipal jurisdiction and responsibility, staff support that residential ratepayers within the Township of Howick should not be responsible for Industrial, Commercial and Institutional (IC&I) properties, nor that ratepayers should be responsible to fund a provincially mandated change that does not directly improve services for ratepayers.

Disposal of recycling materials is part of operating an IC&I property and quantities can vary significantly between properties depending on their individual business operation. These variances represent significant difficulty in establishing a fee or cost structure that fairly or equitably represents the level of service needed to subsidize these non-residential tax classes. Considering this, staff recommend Council select Option 1 below, but option 2 is also listed for Council's consideration. The decision made by Council will take effect January 1, 2026:

**Option 1: Do Nothing.**

Recycling curbside collection is no longer a municipal mandate under legislation. IC&I properties are now entirely responsible for the removal and cost of recycling from their properties and businesses to the necessary depots. These properties would be responsible for arranging for their own recycling collection and disposal services. IC&I recycling would also not be accepted at the Howick Landfill as Circular Materials will no longer be emptying the bins containing recycling collected at the Landfill.

**Option 2: Accept IC&I Recycling at the Howick Landfill.**

As a cost to the Township of Howick, Howick could provide recycling bins at the Howick Landfill, strictly for IC&I use. Rental fees and the additional costs associated with pickup and disposal by weight would apply under this option. If this option is chosen, Council would then need to decide if the costs associated with offering this service to IC&I properties are funded through taxation or by assigning user fees based on a cost-recovery basis.

Either option could be re-evaluated in one (1) year.

**4. Financial Implications:**

**Costs to have bins for IC&I recycling at Howick Landfill:**

Waste Management Pricing sample:

Five(5), 6-yard recycling dumpsters for IC&I property use, with weekly pick-up service.

i.e.    Five(5) Dumpsters x \$30.00 each, per week = \$150.00 per week  
          52 Weeks x \$150.00 = \$7,800.00 per year  
          \$225 one-time delivery fee x 5 bins = \$1,125

=\$8,925 per year

Plus:

1. Contamination charge of \$60 per occurrence (trucks are equipped with cameras and review dumped material). Staff could love at recovery costs if this occurred & amend the Fees & Charges By-law.
2. Overloaded dumpsters, charged \$25 per occurrence.

**6. Conclusion / Next Steps:**

Council to provide direction to staff on how to proceed.

**Township of Howick**

**Department: Administration/Clerk**

---

**To:** **Council Meeting**

**Meeting Date:** **December 16, 2025**

**Report Title:** **2025 IT Review**

---

**1. Recommendation:**

**That the Council of the Township of Howick hereby receives report ADM-2025-28 of the Chief Administrative Officer/Clerk, dated December 16, 2025, regarding the 2025 IT Review;**

**And That Council authorizes the CAO/Clerk to engage Fort44 Inc., GHD and Wightman Telecom for the provision of fractional IT services, Website design and hosting and Voice over Internet Protocol (VoIP) phone system for the Corporation of the Township of Howick;**

**And that the Reeve and CAO/Clerk be authorized to sign the associated agreements.**

**2. Purpose/Issues:**

To update Council on the IT review conducted by Fort44 Inc. and to present several options for improving Howick's IT services, cybersecurity protection, internet connectivity at all municipal facilities, to replace the current analog phone system that is obsolete and unsupported and to update the municipal website within the capital budget allocated in 2025.

**3. Background:**

Fort44 Inc. is a local IT solutions company headquartered out of Teeswater, Ontario that provides IT services, cybersecurity and strategic tech support for small to medium-sized businesses. They have excellent references from many local companies.

Staff contacted Fort44 to review Howick's current IT systems including hardware, software, cybersecurity protection and internet services and to provide recommendations. Additionally, Fort44 provided recommendations and quotes for a camera system and two televisions to be added to the Council Chamber for the ability to offer hybrid council meeting participation. Lastly, Fort44 also provided options for a Voice over Internet Protocol (VoIP) phone system, as staff were notified recently that

our current analog system with Wightman has become obsolete and will no longer be supported. Additional VoIP quotes were provided by Microage Basics and Wightman.

The Manager of Development and Protective Services/Fire Chief assisted in reviewing the proposals from Fort44 and the three VoIP proposals due to his past work experience and thorough knowledge of information technology, computer hardware, software and cybersecurity.

The current internet at the Howick Community Centre is through the Huron County network located in the Huron County Library. When the public is present for a sports or public event, the wi-fi availability to staff is seriously affected. Fort44 has included the necessary equipment in their quote to provide a dedicated public wi-fi system that will not decrease the availability or reliability of staff's connection. We can also ensure that we have proper and adequate network support and cybersecurity protection if our internet service is our own.

The CAO/Clerk and Manager of Development and Protective Services/Fire Chief feel that the Fractional IT (FIT) services proposed by Fort44 for Howick Township, combined with Fort44's extensive track record of delivering exceptional managed IT services would provide better cybersecurity protection, an enhanced back-up server system and more responsive IT support for the township than what is provided by our current IT service provider, at a comparable price. Fort44 has also included hardware prep, software installation and delivery of all required technology in their quote. Currently, Howick is invoiced extra from our current provider for these services. There has also been significant annual increases to our current service, with no official contract in place since its inception.

Due to our current telephone service with Wightman, there are additional monthly costs associated with keeping our current phone numbers if Howick goes with another service provider. Pending a further review and demonstration of the available phone systems, staff feel that Wightman Telecom's VoIP quote is the best option.

The Deputy Clerk/Communications Coordinator received a demonstration of website services with GHD earlier in 2025. GHD (formerly eSolutions) is an industry leader in the design and hosting and an award winning content management system for municipal websites. North Huron, North Perth, Central Huron, Huron East are just a few local examples of municipal websites currently under contract with GHD.

Our current website designer & host charges Howick additional fees any time there is a back-end issue that needs corrected, which has been several times over the past three years. The Govstack platform utilized by GHD provides a specialized content management system designed for public sector needs, non-technical website building that can mostly be completed internally and legislatively required accessibility features. A lot of the back-end website work can be completed internally by staff instead of requiring the website designer to make the necessary changes at an additional charge. The slight increase in operating costs for a municipal website provided through GHD

should be offset by a decrease in operating costs for the municipal phone systems once transitioned to the VoIP system.

Since an RFP for IT Services was not completed, staff are seeking Council's support for staff to move ahead with the above-mentioned services, including single sourcing from Fort44 Inc. and GHD, using the capital funds earmarked in the IT Review and Council Chamber Technology Update funded through remaining modernization funds.

#### **4. Financial Implications:**

The 2025 Capital Budget included a budget of \$48,000 of remaining modernization funds for the IT Review & Council Chamber Technology Update. Based on the quotes received from Fort44 Inc., GHD, and Wightman Telecom, staff will be able to install the necessary technology to the Council Chambers to facilitate hybrid Council meetings, to implement the VoIP phone systems at all municipal facilities, to improve the internet connectivity at the Howick Community Centre for staff and the public, to provide enhanced cybersecurity measures, to develop a better municipal website and procure a local, reliable, and responsive IT support system for Howick Township all within the remaining modernization funds earmarked for this project.

Staff have included the ongoing operating costs associated with these purchases in Draft # 1 of the 2026 budget.

#### **5. Conclusion / Next Steps:**

Implementing the IT Review and Council Chamber Technology Update has been included in the 2026 Capital Budget and with Council approval, staff will move forward with the above-mentioned recommendations within the allocated budget.

**To:** **Council Meeting**

**Meeting Date:** **December 16, 2025**

**Report Title:** **2026 Municipal Budget – Draft # 1**

---

**1. Recommendation:**

**That the Council of the Township of Howick receive report FIN-2025-40 for information;**

**And That Council provide staff with direction regarding any changes to the 2026 Municipal Budget.**

**2. Purpose/Issues:**

**3. Report Highlights:**

- OMPF Funding increased from \$475,800 in 2025 to \$516,100 in 2026.
- OCIF Funding increased from \$193,502 in 2025 to \$212,852 in 2026.
- Unaudited 2026 opening Reserves balance of \$4,278,155.97.
- Proposed 2026 ending Reserve Balance of \$2,827,772.86.
- Howick's assessment increase for 2026 is 0.37% compared to 1.1% in 2025.
- Policing costs increase was capped at 11% for 2026.
- Municipal Insurance increase (July 1, 2026 - Dec 31, 2026) is estimated to be 10%.
- MVCA annual levy is estimated as this information has not been provided.
- SVCA annual levy increased by 1.59%.
- 3 new staff positions added 5.27% to the 2026 tax rate.
- 2% Capital Levy added to the 2026 tax rate.

**Proposed Capital Projects and Transfers from Reserves**

- \$300,000 from general reserves for the purchase of land and legal expenses for future Fire Hall location.
- \$52,000 from Modernization Funds to complete an IT Review and Council Chamber Technology update (carried forward from 2025 budget) and to purchase 4 new ipads for 2026-2030 Council members.
- Fire Department equipment, vehicle and building upgrade capital purchases of \$153,750, funded from reserves.
- Purchase of a by-law vehicle and laptop for new by-law employee for \$18,000 to be funded from reserves.
- CLI Storm Sewer Study for \$15,000 from reserves.
- A Section of George Street and Huron Bruce Road to have asphalt replaced for \$247,000 from reserves.
- Work to be completed on Orange Hill Road Culvert #29 for \$435,000 using \$222,000 from reserves and \$213,000 from OCIF Funding.
- Work to be completed on Spencetown Road Bridge #11 using \$759,000 from reserves and \$121,000 from Gas Tax.
- Engineering for Toll Gate Line Bridge #8 will be funded from reserves for \$16,500.
- Ford F150 Pickup Truck, Roadside Flail Mower and a Boom Arm for a Grader to be funded from Equipment reserves for \$219,000.
- A Utility Trailer purchase of \$3,200 to be funded from reserves.
- \$35,000 from Recreation reserves for a Truck Watering System and complete the Beautification Project to cover our portion of the costs if the ROD Grant application is successful.
- Landfill Improvement Project Phase 2 to be funded by Gas Tax funding in the amount of \$192,000.

**4. Financial Implications:**

Proposed Revenue: \$4,636,059.96

Proposed Expenses: \$9,752,037.97

Amount to be raised through taxation: \$5,115,978.01

Proposed 2026 Municipal Tax Rate increase of 6.196% plus 2% capital levy

2025 Municipal Tax Rate increase was 5.439% plus 2% capital levy

**5. Conclusion / Next Steps:**

Council to provide direction on Draft # 1 of the Municipal Budget.

**6. Input from Other Sources:**

Caitlin Gillis, CAO/Clerk  
Josh Kestner, Fire Chief/By-Law Enforcement Officer  
Brady Ropp, Recreation Facility Supervisor  
Scott Price, Operations Manager  
Ed Podniewicz, Chief Building Official  
Wroxeter, Gorrie and Fordwich Village Management

**7. Attachments:****[Appendix A: 2025 Municipal Budget – Draft # 1](#)****8. Relationship to the Strategic Plan:**

- Goal #1.1 Taking a long-term evidence-based approach to determine infrastructure renewal priorities and timelines.
- b. Establish a 5-year Capital Forecast and ensure linkages between this forecast and the budget.
  - c. Complete a Landfill Study with options and costs, including adding weigh scales, staff workspace, electricity, a future septic cleanout facility and composting.
  - d. Complete an Asset Condition and Optimization Study establishing a baseline for Township-owned facilities, property, fleet and equipment. This should include minimum standards, priorities and timelines for improvements/maintenance.
  - e. Develop a Roads & Bridges Rebuilding Plan prioritizing infrastructure renewal projects in alignment to the Asset Management Plan and roads and bridges condition study. Introduce a Roads & Bridges Capital Levy in the 2025 Budget.
- Goal #1.2 Completing projects on-time and on-budget
- a. Improve the landfill site based on Council-approved option
  - d. Complete improvements to village streets based on priorities identified by road condition reports and the 5-year capital forecast
- Goal #2.1 Expanding opportunities for healthy living and recreation
- b. Determine the feasibility of partnering with Huron County to develop and implement a licensed day care program.
- Goal #3.1 Pursuing sustainable growth with exciting opportunities to live and work in Howick.
- a. Engage a consulting partner to help develop a Community Improvement Plan (CIP) to stimulate the revitalization of villages through Council-approved incentive programs to fill downtown vacancies; improve façades, signage, and heritage features; and support downtown retail opportunities.

- Goal #4.2 Continuously improving our day-to-day operations to be more effective, efficient and customer friendly.
- e. Consider the rate of inflation during the budgeting process
- Goal #4.3 Rewarding hard work and excellence among our employees and volunteers.
- a. Move employees through the salary grid annually based on performance

**Respectfully submitted by: Amy Van Meeteren, Treasurer**

# 2026 Budget

Presented December 16, 2025 - Draft #1

# Budget Highlights

The budget as presented includes a total tax rate increase of 6.196% plus 2% capital levy for 2026. The table below details the change in the total taxes collected over the past 5 years:

Year	Total Municipal	Year over Year %	Local Municipal	Year over Year %
	Levy	Change	Tax Rate	Change
2022	3,744,611	1.98%	0.007705570	2.601%
2023	4,026,925	7.54%	0.008127740	5.479%
2024	4,318,790	7.25%	0.008679820	6.793%
2025	4,697,133	8.76%	0.009325500	7.439%
Draft 2026	5,115,978	8.92%	0.010089910	8.196%

For the 2026 taxation year, MPAC will once again hold current assessment values. The above tax rates equate to the following total annual impact on the average assessed home in the Township of Howick.

Year	Average Assessed	Local Municipal	Local Municipal	Local Municipal
	Home	Tax Rate	Tax Amount	Tax Amount
2022	210,000	0.007705570	\$1,618	\$41
2023	210,000	0.008127740	\$1,707	\$89
2024	210,000	0.008679820	\$1,823	\$116
2025	210,000	0.009325500	\$1,958	\$136
Draft 2026	210,000	0.010089910	\$2,119	\$161

**Corporation of the Township of Howick**

**By-law No. 62-2025**

---

**A By-law to confirm the proceedings of Council of the Corporation of the Township of Howick**

---

**Whereas**, in accordance with the Municipal Act, 2001, S. O. 2001, Section 5(1), the powers of a municipal Corporation shall be exercised by its Council; and

**Whereas**, Section 5(3) of the Municipal Act, 2001, prescribes that the powers of every Council shall be exercised by by-law unless the municipality is specifically authorized to do otherwise; and

**Whereas**, it is deemed expedient that the proceedings of the Council of the Corporation of the Township of Howick be confirmed and adopted by by-law;

**Now therefore**, the Council of the Corporation of the Township of Howick enacts as follows:

1. That the actions and decisions of the Council of the Corporation of the Township of Howick at its special Council meeting held December 16, 2025 in respect to each resolution and other action taken by the Council of the Corporation of the Township of Howick at these meetings, except where the prior approval of the Ontario Municipal Board is required, is hereby adopted, ratified and confirmed.
2. That the Reeve and proper officials of the Corporation of the Township of Howick are hereby authorized and directed to do all things necessary to give effect to the actions of the Council of the Corporation of the Township of Howick referred to in the proceedings section hereof.
3. That the Reeve and the Clerk, unless otherwise specified, are authorized and directed to execute all documents necessary in that behalf and to affix thereto the seal of the Corporation of the Township of Howick.
4. This by-law shall come into force and takes effect on the date of its final passing.

**Read a first and second time this 16<sup>th</sup> day of December, 2025.**

**Read a third time and finally passed this 16<sup>th</sup> day of December, 2025.**

---

**Reeve, Doug Harding**

---

**CAO/Clerk, Caitlin Gillis**
