<sup>1</sup> Time of Completion, if not specified in the Contract Documentation, in weeks from date of contract award

<sup>2</sup> Contractor to initial Tender Opening Summary sheet upon return of tender deposit – identification to be confirmed

<sup>3</sup> Addenda may be attached to the contract when it is sent out - not required to confirm

<sup>4</sup> If the tender deposit submitted was not what was specified, this inconsistency should be brought to the attention of the Owner

<sup>5</sup> Once the bidder's position has been determined, this form must be sent to the Goderich office or, if the contract originated in the Mount Forest office, to both offices

<sup>6</sup> Copies of low bids to be made upon completion of the tender opening

5 and 6 do not reference anything in particular
