Schedule "A" to By-law No. 15-2018

Half Load Exemption Application

Permit # EP _____

Valid for date of application only

Date of Application _____ Roll# _____ 911# _____

Applicant Name _____ Phone # _____

Mailing Address _____

This permit must be completed by a resident of **Howick** where the end product will be delivered. By filling out above and signing below, you certify that you are in fact the property owner and you assume all liabilities that are described in this policy.

Haul Route Drawing

Please include the #911 number and your specified haul route.

Note * deferring from haul route is not allowed

By signing this permit which is only valid for the day of issue, you agree for a Public Works staff member to go and check the haul route before this permit is approved. The Public Works staff will give you a yes or no answer. If the answer is yes, the Public Works staff will issue you a time window in which the work can be performed. The fee shall be paid prior to issuance of this permit at a flat rate of **\$100**.

By signing this permit, you agree to pay all associated costs which are incurred in repairing any damage to the road on the specified haul route and shall not be limited to the day of issuance. At the discretion of the Public Works Department, if deficiencies are found in the haul route roadway, the deficiencies shall be fixed in a timely manner and billed to the land owner. If the bill goes unpaid, the signing land owner agrees to have this bill added to their taxes and allow the bill to have the same priority lien status as land taxes.

Signature _____

Date _____

I _____ have read and understand every part of this permit policy and agree with all conditions that are described within.

Haul Route checked by _____ Time _____

Date _____

Is the haul route sufficient for exemption - YES or NO

If yes, please specify time window - Start _____ End _____

Time window subject to change - at the discretion of Public Works staff, the designated time window may be shortened or lengthened during time window due to changes in road conditions.

If there are any deficiency in the haul route prior to issuance of this permit please list

If there are any deficiency in the haul route found after hauling is completed please list

Comments or special provisions

Public Works Department hereby grants you exemption from half load provisions set out in section 122 of the Highway Traffic Act. This exemption is only valid for the day of issuance.
