Explanatory Note Restricted Area By-Law No. 23-1984 of The Corporation of the Township of Howick

Preamble

The Zoning By-law was passed under Section 34 of The Planning Act, 1983.

It implements the Official Plan for the Township of Howick, which was adopted by the Council of the Township of Howick in May 2010.

The Zoning By-law comprises both text and zoning maps on which is delineated the various zones created in the By-law.

Purpose

The purpose of this By-law is to provide the Corporation of the Township of Howick with regulations which will affect control over all forms of land use or other related matters within the municipality.

Basis

Such regulations have been deemed necessary and in the public interest by local Council in order that possible conflicts between existing and proposed land uses can be minimized or reduced in the future. Prior to the preparation of this By-law, the Township of Howick operated under the Howick Township Secondary Plan which provided limited control of land use.

Affected Lands

The lands directly affected by this By-law can be described as consisting of all properties lying wholly or partly within the corporate limits of the Township of Howick.

Existing By-laws

From the coming into force of this by-law, all previous By-laws of the Township, passed pursuant to Section 34 of The Planning Act or a predecessor thereof, shall be deemed to have been repealed.

Duration

It is the intention of the Council that this Zoning By-law will be effective until circumstances change to such a degree that a revision and up-dating of the By-law is required. Additional uses for specific lands may be permitted by means of a re-zoning or amendment to the zoning By-law. It is the intention of the Council to accept and review applications to amend the Zoning By-law in order to allow the establishment of uses which are permitted by the Howick Township Secondary Plan.

Effect

This Zoning By-law is designed to regulate by prohibition all new development except that specifically allowed in the By-law. This By-law will, however, give Council of the local municipality the legal authority to review the merits of any new use which is not specifically allowed by the By-law. If Council, after studying a proposal for a new use, is satisfied that the new use is in the best interests of the

municipality, the new use may be permitted provided that a separate By-law amending this By-law is passed which would permit the new use on the specified parcel of land subject to appropriate regulations.

The Zoning By-Law of The Corporation of The Township Of Howick By-Law No. 23 -1984

Being a by-law, under the provisions of Section 34 of the planning act, to regulate the use of lands and the character, location and use of buildings and structures and to prohibit certain buildings and structures in various defined areas of the corporation of the Township of Howick.

WHEREAS the Municipal Council of the Corporation of the Township of Howick considers it advisable to restrict, prohibit and regulate the use of land situated within the defined areas, as hereinafter designated, for the purpose of preventing any further development which would create an adverse effect on the Corporation, and to prevent the use of lands that would jeopardize future orderly development and expansion, and to protect the natural environment.

NOW THEREFORE the Council of the Corporation of the Township of Howick ENACTS as follows:

Section 1- Title and Scope

1.1 Title

This By-law shall be known as the Zoning By-law of the Corporation of the Township of Howick.

1.2 Acts

All Acts as stated in this By-law are in accordance with the most recent Revised Statutes of Ontario (R.S.O.)

1.3 Application

The provisions of this By-law shall apply to all lands within the boundaries of the Township of Howick.

1.4 Administration and Enforcement

This By-law shall be administered by the person designated by the Council of the Township of Howick as the "Zoning Administrator", and no permit for the use of any land, building or structure or approval of any application for any municipal licence within the jurisdiction of the Council shall be issued where the proposed building, structure or use would be in violation of any provisions of this By-law.

1.4.1 Technical Revisions to the Zoning By-law

Revisions may be made to this By-law without the needs for a zoning by-law amendment in the following cases:

- 1.4.1.1** Correction of numbering, cross-referencing, grammar, punctuation or typographical errors or revisions to format in a manner that does not change the intent of a provision;
- 1.4.1.2** Adding or revising technical information on maps or schedules that does not affect the zoning of lands including, but not limited to, matters such as updating or correcting lot line information; updating and correcting infrastructure information;

Township of Howick Zoning By-law 23-1984, Consolidated

conservation authority regulated lands and top of bank features; keys, legends or title blocks; and

- 1.4.1.3** Changes to appendices, footnotes, headings, indices, marginal notes, tables of contents, illustrations, historical or reference information, page numbering, footers and headers which do not form a part of this by-law and are editorially inserted for convenience of reference only.

1.5 Violation And Penalty

Every person who uses or alters the use of any land or lot or alters or erects, or uses any building or structure in a manner contrary to any requirements of this By-law, or who causes or permits such use or erection or alteration, or who violates any provisions of this By-law or causes or permits a violation, is guilty of an offence and upon conviction thereof shall be liable to a fine as set out in Section 66 of the Planning Act (1983) for each offence and each day of the occurrence of the offence shall be deemed to be a separate occurrence. Every such penalty shall be recoverable under the Ontario Court, Provincial Division, as amended from time to time. (By-law 30-1991)

1.6 Remedies

Where any building or structure is, or is proposed to be erected, altered, reconstructed, extended or enlarged, or any building or structure or part thereof is or is proposed to be used, or any land is or is proposed to be used, in contravention of the provisions of this By-law, the same may be restrained by action at the instance of any ratepayer, or of the Township pursuant to the provisions of The Planning Act, The Municipal Act, or The Judicature Act, as amended from time to time.

1.7 Litigation

This By-law shall not affect the rights of any party or any land concerned in any action, litigation or other proceeding pending on the date of the final passage thereof, except to the extent to be determined in the final adjudication of such action, litigation or other proceedings.

1.8 Scope

No building, structure or land shall be used, and no building or structure shall be hereafter erected, structurally altered or enlarged or demolished within the limits of the Township except in conformity with the provisions of this By-law. Nothing in this by-law shall prevent the repair of a building.

1.9 Meaning of Use

Unless the context otherwise requires, the expression "use" or "to use" in this By-law shall include anything done or permitted by the owner or occupant of any land, building or structure, directly or indirectly or by or through any trustee, tenant, servant, or agent, acting with the knowledge or consent of such owner or occupant, for the purpose of making use of the said land, building or structure.

1.10 Idem

Unless the contrary intention appears in this By-law, words importing the singular number or the masculine gender only shall include more persons, parties or things of the same kind than one, and females as well as males, and the converse. For the purpose of this By-law, words used in the present tense include the future.

Township of Howick Zoning By-law 23-1984, Consolidated

1.11 Shall to be Mandatory

The word "shall" shall always be construed as mandatory in this By-law.

1.12 Severability

If any provision of this By-law, including any part of the zoning as shown on the zoning maps, is for any reason held to be invalid, it is hereby declared to be the intention, that all the remaining provisions shall remain in full force and effect until repealed, notwithstanding that one or more provisions shall have been declared to be invalid.

1.13 Applications For Building Permits

In addition to all the requirements of the Ontario Building Code every application for a building permit shall include:

1.13.1 Applications for buildings, except farm buildings, livestock buildings, and manure storage structures shall include:

- 1.13.1.1 dimensions of the lot;
- 1.13.1.2 the location and dimensions of all existing and proposed buildings and storage facilities; (By-law 30-1991)
- 1.13.1.3 the dimensions of all yards, drives, and parking areas;
- 1.13.1.4 any proposed changes in contours of the lot;
- 1.13.1.5 the distance to any livestock building within 610 metres;
- 1.13.1.6 information concerning curbing, retaining wall or alteration to natural drainage, if applicable;
- 1.13.1.7 a statement signed by the owner of the property giving the exact nature of the proposed use of all buildings and lands;
- 1.13.1.8 the location of all easements which may be located on the property; (By-law 30-1991).
- 1.13.1.9 the location of any municipal or private tile drain which may drain any neighbouring property; (By-law 30-1991).
- 1.13.1.10 the location of any municipal services which are available on this property (water, sewage, telephone and gas). (By-law 30-1991)

1.13.2 Applicants for all buildings for livestock, and all structures for manure storage will provide the following information:

- 1.13.2.1 dimension of the lot;
- 1.13.2.2 the location, and dimensions of all existing and proposed building and/or storage facilities;
- 1.13.2.3 distances to all lot lines from proposed buildings and/or storage facilities;
- 1.13.2.4 the location, distance and use of all buildings within 1000 metres of the proposed building and/or storage facility
- 1.13.2.5 type of livestock and the type of manure disposal;
- 1.13.2.6 a statement signed by the owner of the property giving the exact nature of the proposed use of all buildings and land;

1.14 Licenses and Permits

No Municipal permit, certificate, or license shall be issued for a use of land that does not

Township of Howick Zoning By-law 23-1984, Consolidated

conform with this By-law.

1.15 Buildings to be Moved

No building, over 10 sq. metres, residential or otherwise, shall be moved within the limits of the Township or shall be moved into the Township from outside, without a permit from the Chief Building Official. Approval of the Township Road Superintendent, County Engineer's Office or Ministry of Transportation, as applicable, shall also be required. (By-law 30-1991)

1.16 Building Inspection

The Zoning Administrator, Building Inspector, or any employee of the Township acting under the direction of the Zoning Administrator or any peace officer having jurisdiction in the Township is hereby authorized to enter with prior notification between the hours of 8:00 o'clock a.m. and 6:00 o'clock p.m. on any day but Sunday upon any property or premises or structure for the purpose of discharging his duties and obligations under this By-law, or if there is reason to believe that the provisions of the By-law are not being complied with in whole or in part. Where the owner or occupier refuses consent, entry may be made under the authority of a search warrant issued under The Provincial Offences Act. (By-law 30-1991)

1.17 Repeals

From the coming into force of this By-law all previous By-laws passed by the Township, under Section 34 of the Planning Act or a predecessor thereof, shall be deemed to have been repealed.

1.18 Zones, Symbols, Section Numbers

For the purposes of this By-law the Township is hereby divided into the following use zones:

1.19 Zoning Map

The Zones set out in 1.17 and the boundaries of such zones are shown upon the maps attached hereto, marked Schedules designated as the Zoning Maps which zones, boundaries and maps form part of this By-law.

1.19.1 Natural Environment Adjacent Lands and/or Conservation Authority Regulated Lands

The Provincial Policy Statement and Conservation Authorities Act require that development on lands adjacent to natural environment areas, and land which may be subject to natural environment hazards, such as erosion or flooding, be reviewed by the Conservation Authority. In some cases an Environmental Impact Study or Conservation Authority permit is required. This area is shown on the map schedules and identified as "Conservation Authority Notification Areas" for information only. It is not a zone.

Updates to the "Conservation Authority Notification Area" are considered administrative changes and are permitted without public notice or approval by the Council of the Township of Howick. (Amended by By-law 14-2015)

1.20 Boundaries of Zones

Where uncertainty exists with respect to the boundaries of the various zones as shown on the Zoning Maps, the following rules shall apply:

1.20.1 Centreline Limits

Where any zone boundary is shown as approximately the centre line of a street, lane, watercourse or any other right-of-way, such zone boundary shall be construed to follow the centre line of the street, lane, watercourse or other right-of-way or the production thereof;

1.20.2 Lot Lines

Where the Zone boundaries are not shown to be roads or lanes, and where indicated boundaries on the zoning maps are approximately lot lines, the said lot lines shall be construed to be the zone boundaries unless the said boundaries are otherwise indicated on the maps;

1.20.3 Schedule Limits

The limit of any map comprising any Schedule forming part of this By-law as shown on the Key Map of such Schedule shall be deemed to be the boundary of the Zone adjoining such limit;

1.20.4 Symbol of Zones

- a) Where one symbol is used on the Zoning Maps to indicate the zone classification of an area divided by a road or lane, the said symbol shall establish the classification of the whole of such area;
- b) Where both zone shading (e.g. NE1, NE2) and alpha-numeric zone symbols (e.g. AG4) are used to indicate the zone classification of an area the alpha-numeric zone symbol shall be deemed to be the applicable zone except this does not apply to alpha-numeric zones AG1, C4, ER1. (Amended by By-law 14-2015)

Township of Howick Zoning By-law 23-1984, Consolidated

1.20.5 Closed Road or Lane

In the event a dedicated road, lane or railway, shown on the maps is closed, the property formerly in said road, lane or railway shall be included within the zone of the adjoining property on either side of the said closed road, lane or railway. In the event the said road, lane or railway was a zone boundary between two or more different zones, the new zone boundary shall be the former centreline of the said closed road, lane or railway;

1.20.6 Boundaries other than Roads or Lot Lines

Where a zone boundary is not a road or lane, nor a lot line, and a specific measurement indicating the position of the said boundary is not shown on the zone map, or indicated in the text of the By-law, the position of the zone line shall be determined by the scale of the zone map and a site inspection;

1.20.7 Zone Abuts Lakeshore or Natural Watercourse

Where any zone on the Schedules abuts a lakeshore, such zone shall be deemed to extend into the lake and to apply to any water lots or to any land created by changing lake levels, land fill operations or by any other means. Where any zone on the Schedules abuts a natural watercourse, such zone shall be deemed to apply to the natural watercourse and any islands within the watercourse;

1.20.8 Minor Lot Enlargement

The following provision applies only where 1) a severance is granted for the purpose of a minor lot enlargement and/or 2) where lands are closed and conveyed by the Township (e.g. in the event of a road closure): Where lands are severed and merged on title with abutting lands, the zoning on the existing property shall automatically apply to the lands to be merged on title.

As an administrative amendment, the appropriate Zone Map shall be amended to reflect this zone change with such changes being permitted from time to time without further public notice or Council approval. The resulting lot area of the retained parcel is deemed to comply with the provisions of this Zoning By-law.

1.21 Errors and Omissions – Obligation to Comply

The lack of a survey or adequate information or an error or omission does not relieve the applicant from responsibility for complying with the provisions of this By-law. (Amended by By-law 14-2015)

1.22 Minimum Requirements

In interpreting and applying the provisions of this By-law, they are held to be the minimum requirements for the orderly, economic and attractive development of the Township. (Amended by By-law 14-2015)

1.23 Uses Not Listed as Permitted

Uses not listed as permitted in a zone or otherwise provided for in this By-law shall be prohibited in such zone except as provided for under the Non-Conforming Use Section of this By-law. (Amended by By-law 14-2015)

1.24 Use of Examples

Where examples are provided to explain a By-law provision, these examples are illustrative only. (Amended by By-law 14-2015)

Township of Howick Zoning By-law 23-1984, Consolidated

1.25 References to Provincial Legislation

Where a Provincial statute or regulation is referenced, the reference includes all amendments to the statute/regulation that may have occurred since the By-law was passed as well as any successor statutes/regulations to the referenced statute/regulation. (Amended by By-law 14-2015)

Section 2-Definitions

For the purpose of this By-law the definitions and interpretation given in this section shall govern:

Abattoir

Shall mean a building, structure or lot or part thereof used for the slaughter of livestock or other animals for the purpose of processing or rendering.

Accessory

When used to describe a use, building or structure, means a use, or a detached building or structure, that is naturally and normally incidental, subordinate and exclusively devoted to supporting the principle use, building or structure and located on the same lot therewith. This does not include an accessory residence unless otherwise specified.

Additional Residential Unit

Means an additional residential unit shall be an accessory dwelling unit with its own kitchen, sanitary facilities and bedroom(s)/sleeping area. (As amended by By-law 40-2022)

Adjacent Lands

Shall mean those lands abutting a specific natural heritage feature or area where it is likely that development or site alteration may have a negative impact on the feature or area. Examples of natural heritage features include: a wetland, water course, sinkhole or a woodlot.

Aggregate

Shall mean gravel, sand, clay, earth, shale, stone, limestone, dolostone, sandstone, marble, granite, rock or other prescribed material.

Agricultural Industrial Establishment

Shall mean the use of land and/or buildings or structures for the manufacturing and wholesale and/or retail sales of goods that are necessary to support agricultural uses. These include such goods as farm machinery and equipment used for tillage of soil, the planting, spraying, harvesting, transporting, treatment, processing and storage of grain, forage, feed, or forest products, products used for the housing and husbandry of livestock, poultry and fur-bearing animals, and the storage, handling and processing of milk, eggs, and manure and the manufacture of sub-surface drainage materials and equipment.

Agricultural Processing Establishment

Shall mean the use of land and/or buildings or structures for the processing of products derived from agricultural uses, as defined in this By-law. Section 3-General Provisions

3.1 Accessibility

All new buildings, except for residences, should have regard to accessibility. Accessibility issues will be considered in accordance with the *Ontarians with Disabilities Act* and/or Municipal legislation regarding accessibility.

3.2 Accessory Buildings

- 3.2.1** shall not be used for human habitation except where a dwelling is a permitted accessory use;
- 3.2.2** shall not be built in a front yard. Where an accessory building or structure is built on a corner lot, it shall be located in the side yard which is not adjacent to the exterior street or in the rear yard and not closer to the street than the setback required for the main building, except that this provision does not apply in AG1 or AG2 Zones.
- 3.2.3** when detached, shall not exceed 6 metres in height nor contain more than two storeys except when in a VC2 zone where the maximum height is 10 metres not containing more than two storeys;
- 3.2.4** shall not exceed 10 percent coverage of the total lot area;
- 3.2.5** shall not be built closer than 1.25 metres to a lot line except for semi-detached garages which may be centered on a mutual interior side lot line.
- 3.2.6** shall not be built closer than 2 metres to a main building;
- 3.2.7** shall not be considered for the purposes of calculating lot coverage even if attached to the main building in any way, except for accessory residential uses;
- 3.2.8** in all zones except AG1 and AG2 no accessory building or accessory use shall be established on any site or lot until and unless the main building or use to which it accessory is established.

3.3 Additional Residential Unit (ARU)

Notwithstanding any other provisions of this By-law to the contrary, the following provisions shall apply to permit the construction of an additional residential unit as an accessory use to a single-detached, semi-detached, or multiple attached dwelling in the permitted zones:

- 3.3.1** In urban settings, a maximum of one Additional Residential Unit is permitted per property. In the agricultural setting, a maximum of two Additional Residential unit are permitted per property with one unit within or attached to the main residence and one within a detached structure.
- 3.3.2** One (1) additional on-site parking space is provided for the ARU in addition to the parking for the main dwelling
- 3.3.3** An exterior stairway provided for the ARU shall not be location the front yard
- 3.3.4** As permitted, where an ARU is contained within an accessory building, the following provisions apply:
 - Section 4.4.3.2. when location in the AG1 zone;
 - Section 7.5 when located in the AG4 zone;
 - Section 16.6 when located in the VR2 zone

3.3.5 Maximum Building Size

When detached and located in a VR2 zone, the structure containing the ARU shall be no greater than 75% of the gross area of the main floor of the dwelling including attached garages provided the total buildings do not exceed the maximum lot coverage.

Notwithstanding any other provisions of this By-law to the contrary, an ARU located within an accessory building in the agricultural area shall not be established closer to neighbouring livestock facilities than the legally established single detached dwelling to which it is accessory to unless the ARU complies with minimum Distance Formulae (MDS) (As amended by By-law 40-2022)

3.4 Addition To Building or Structure

When a building or structure has insufficient parking or loading area at the date of passing of this By-law to comply with the requirements herein, this By-law shall not be construed to require that the deficiency be made up prior to the construction of any addition. No addition may be built, however, and no change of use may occur the effect of which would be to increase that deficiency.

3.5 Application

The provision of this section shall apply to all zones except as otherwise indicated in the applicable zone provisions.

3.6 Application of Other By-Laws, Regulations, Legislation

Nothing in this By-law shall operate to relieve any person from the obligation to comply with the requirements of the Ontario Building Code Act or any other By-law of the Municipality in force from time to time or the obligation to obtain any other license, permit, authority or approval lawfully required by a governmental authority having jurisdiction to make such restrictions. This includes, where appropriate, regulations and permits as administered by the Maitland Valley Conservation Authority or the Saugeen Valley Conservation Authority. (By-law 30-1991)

3.7 Bed and Breakfast Special Provisions

A tearoom or dining room in conjunction with an approved Bed and Breakfast shall be allowed in any zone permitting a Bed and Breakfast, provided:

- 3.7.1** No commercial fat fryers or commercial exhaust fans will be allowed. Only appliances and fixtures normally used in a residence will be allowed.
- 3.7.2** A maximum of 30% of the floor area of the house may be used for seating area for the tearoom or dining room.
- 3.7.3** The hours of operation shall be between the hours of 7:00 a.m. and 10:00 p.m.
- 3.7.4** The required parking for a tearoom or dining room shall be the same as for a 'Bed and Breakfast' in the Parking Area Regulations, General Provisions. This parking will be required in addition to the parking required for the dwelling and the bed and breakfast. All parking for the tearoom or dining room shall be totally located on the property and shall not be located in the front yard or exterior side yard. All other provisions of this parking regulation shall be complied with.
- 3.7.5** No sign except a small sign to recognize the business shall be allowed. Any sign for a bed and breakfast and a tearoom or dining room shall be approved by the Township

Township of Howick Zoning By-law 23-1984, Consolidated

prior to installation. No exterior signs with interior lighting shall be allowed.

3.7.6 Building Code Act requirements for the septic system have been satisfied.

3.8 Buildings Per Lot

No person shall erect more than one main building on a lot or establish more than one main use on a lot unless otherwise specified within this By-law except:

3.8.1 Permitted buildings and uses in a General Agricultural Zone (AG1), Agricultural Commercial Industrial (AG3), Village Industrial (VM1), or Community Facility (CF) Zone.

3.9 Cannabis Production Facility

Notwithstanding any other provision of this By-law, any Cannabis Production Facility shall be subject to the following provisions:

- a) Lands, buildings or structures or portion(s) thereof used for Cannabis Production Facility purposes that are equipped with air treatment control shall not be located any closer than 150 m to a Residential Zone, Community Facility Zone, park or similar recreational use, dwelling, public school, private school, place of worship, or a day care.
- b) Lands, buildings or structures or portion(s) thereof used for Cannabis Production Facility purposes that are not equipped with air treatment control shall not be located any closer than 300 m to a Residential Zone, Community Facility Zone, park or similar recreational use, dwelling, public school, private school, place of worship, or day care.
- c) Accessory buildings or structures used for security purposes for a Cannabis Production Facility may be located in any yard. The minimum setback for an accessory building used for security purposes from a front, side, or rear lot line shall be 1 metre, but it shall not be located in the sight triangle.
- d) Outdoor storage is prohibited on the property in which the Cannabis Production Facility is located.
- e) Cannabis Production Facilities shall only be permitted within the zones as explicitly indicated in this Zoning By-law
- f) Setback requirements do not apply to dwellings located on the same parcel as the Cannabis Production Facility.
- g) All development in relation to the establishment of or expansion to a Cannabis Production Facility shall be subject to Site Plan Control.

3.10 Daylight or Sight Triangle

Notwithstanding any other provisions of this By-law no building, shrub, foliage, or fence above the grade of the road with a height exceeding three-quarters (.75) metres shall be erected or planted within the triangular space:

3.10.1 formed by lot lines, or the straight line projections of lot lines where such lot lines are connected by a curved line closer than seven and one-half (7.5) metres from their point of intersection;

3.10.2 included between a street line and a railway right-of-way for a distance of thirty (30) metres from their point of intersection.

This provision does not apply to the planting of field crops.

Township of Howick Zoning By-law 23-1984, Consolidated

3.11 Encroachment in Yards, Permitted

3.11.1 Every part of any yard required by this By-law shall be open and unobstructed by any structure from the ground to the sky provided however, that fences and hedges in accordance with the provisions of Section 3.25 (Planting Strip Requirements) of this By-law shall be permitted and that those structures listed in the following table shall be permitted to project into the minimum yards indicated for the distances specified below:

Structure	Yards in which projection is permitted	Maximum projection permitted from main wall
Sills, belt courses, cornices, eaves, gutters, chimneys or pilasters	All yards	0.75 metres
Fire escapes and exterior staircases	Rear yard or side yard	1.5 metres
Window bays	Front, rear and exterior side yards only	1 metre over a width of 3 metres
Balconies	Front, rear and exterior side yards only for single-detached dwellings	1.5 metres
Open, roofed porches not exceeding one storey in height, uncovered terraces	All yards	2.5 metres including eaves and cornices provided that no porch or terrace extends closer than within 1.0 metres of any lot line or prevents access to any rear yard
Retaining Walls	All yards	No maximum or minimum requirements
Accessibility Ramps and Infrastructure	All yards	No maximum or minimum requirements

3.11.2 Encroachment Exception

Where a building or structure is legally established and believed to be in compliance with the Zoning By-law but is subsequently shown, by an Ontario Land Surveyor's legal survey, not to comply with the provisions of the Zoning By-law, an encroachment of 0.25 metres is permitted into any yard.

3.12 Established Front Yard

Where this By-law requires a front yard for the main building of greater than 6 metres, and where on the day of passing of this By-law, more than one-half of the frontage on any side of any one block is built upon, there shall be established a minimum required front yard as being the average of the front yards of all existing main buildings in that block; provided, however, that in no case shall the established front yard be less than six (6) metres. (By-law 30-1991)

3.13 Exceptions to Height Limitations

The height limitations of this By-law shall not apply to church spires, clock towers, water tanks, elevator enclosures, flag poles, television or radio antennae, ventilators, sky-lights, chimneys, windmills, or grain elevators or silos. Notwithstanding these provisions, the height restrictions apply to windmills in all Urban zoning categories.

3.14 Garden Suites

Garden Suites are permitted in accordance with the provisions of the *Planning Act, R.S.O. 1990*, Section 39.1. Garden suites may be converted to permanent additional residential units where they conform to the additional residential unit policies and provisions of the Howick Official Plan and Zoning By-law (As amended by By-law 40-2022)

As a condition to passing a by-law authorizing the temporary use of a garden suite under the Planning Act, R.S.O. 1990, Council may require the owner of the suite or any other person to enter into an agreement with the Township dealing with such matters related to the temporary use of the garden suite as the Council considers necessary or advisable, including:

- The installation, maintenance and removal of the garden suite;
- The period of occupancy of the garden suite by any of the persons named in the agreement; and
- The monetary or other form of security that the Council may require for actual or potential costs to the Township related to the garden suite

3.15 Hazard Land Requirements

3.15.1 In addition to the zone provisions of the applicable zones, this By-law shall regulate development on and adjacent to Hazard lands. Hazard lands include those lands that are susceptible to flooding or erosion, have steep slopes or soil instability or other environmental or human made hazards.

3.15.2 No development shall be permitted on hazard lands or adjacent to hazard lands until a required Environmental Impact Study or other required study has been completed to the satisfaction of and approved by the Township of Howick and the applicable Conservation Authority. All hazard lands are subject to this general provision.

3.16 Lighting, Exterior

The type, location, height, intensity, and direction of lighting shall be designed to ensure that lighting is confined to the building face, parking area and vicinity of the site and does not cast glare onto adjacent properties adversely affecting the use of the property or onto an adjacent public street which would pose a vehicular safety hazard. Energy conservation measures and dark sky guidelines should be considered to ensure the site is not illuminated more than necessary.

3.17 Loading Space Requirements

3.17.1 The owner or occupant of any lot, building or structure in a Highway Commercial, Community Facility, or Industrial Zone, erected or used for any purpose involving the receiving, shipping, loading or unloading of persons, animals, goods, wares, merchandise and raw materials, shall provide and maintain on the premises, on the lot occupied by the building or structure and not forming part of a street or lane, within the zone in which such use is located, loading or unloading facilities comprising one or

Township of Howick Zoning By-law 23-1984, Consolidated

more loading or unloading spaces 9 metres long, 3.5 metres wide and having a vertical clearance of at least 4 metres, and in accordance with the following schedule:

Total Floor Area of Building or Structure	Minimum Number of Loading Spaces
0 to 200 sq. m	0
Exceeding 200 sq. m	1

3.17.2 Access

Access to loading or unloading spaces shall be by means of a driveway at least 4.0 metres wide contained within the lot on which the spaces are located and leading to a street or lane located within or adjoining the Highway Commercial, Community Facility or Industrial Zone.

3.17.3 Location

The loading space or spaces required shall be located in the interior side or rear yard unless set back from the street line a minimum of 21 metres.

3.17.4 Additions to Buildings

The loading space requirements referred to herein shall not apply to any buildings in existence at the date of passing of this By-law so long as the floor area as it existed on such date is not increased. If an addition is made to the building or structure which increases the floor area, then additional loading spaces shall be provided for each addition or change of use as required by Section 3.38.1 of this By-law for such addition or change of use.

3.18 Lot Size, Agricultural Severance

Where a new agricultural lot is created by severance and conforms with the Official Plan and has a minimum lot area between 18 and 38 hectares, the said lot is deemed to comply with the minimum lot area provisions of this By-law (Section 4). This provision pertains to both the severed and retained lot area.

3.19 Lots to Front on Public Road

Unless otherwise specified by this by-law, a building or structure shall not be erected nor any land, building, or structure used unless the property abuts or fronts on an open public road and such public road is of satisfactory construction and maintenance as to permit the reasonable and safe passage of motor vehicles.

3.19.1 Plan of Subdivision

Lots in a registered plan of subdivision are deemed to meet the requirement to front on a street where the agreement registered on title between the Township and the subdivision developer provides for the use and development of lots in the subdivision prior to the Municipality's assumption of the roads in the subdivision.

3.19.2 Plan of Condominium

For a Plan of Condominium, only the development as a whole must front on a street provided all the units within the condominium plan have legally enforceable access to a road.

3.20 Non-Complying Buildings and Structures

Where a building or structure was legally established prior to the date of the passing of this By-law, and is permitted by the provisions of the zone in which such use, building or structure is located, but does not meet the zone provisions with respect to yards, lot area, frontage,

Township of Howick Zoning By-law 23-1984, Consolidated

parking, setback or any other provisions of this By-law applicable to that zone, the said building or structure shall be deemed to comply with the By-law and may be enlarged, extended, repaired, reconstructed or renovated provided that:
(By-law 30-1991) (Amended by By-law 34-2024)

3.20.1 Measurement

The enlargement, extension, repair, reconstruction or renovation does not further reduce the compliance of that use, building or structure, with the provision(s) of the By-law to which it does not comply; and, (By-law 30-1991)

3.20.2 Applicability

All other applicable provisions of this By-law are complied with.

3.20.3 Continuance of Legal Non-Complying Status

In the case of a rezoning or severance these provisions shall continue to apply, such that the said building or structure shall continue to comply with any applicable zoning provisions, except parking requirement resulting from such rezoning. (Amended by By-law 7-1997)

3.20.4 MDS and Catastrophe

3.20.4.1 Notwithstanding any other provisions of this By-law to the contrary, where a building or structure is destroyed in whole or in part, by a catastrophe, MDS I will not be applied when the building or structure is rebuilt provided that it is built no closer to livestock facilities than before the catastrophe

3.20.4.2 Notwithstanding any provisions of this By-law to the contrary, where a livestock facility is destroyed in whole or in part, by a catastrophe, MDS II will not be applied when the livestock facility is rebuilt, provided it is built no closer to surrounding land uses and lot lines than before the catastrophe, and the value of Factor A, B and/or D have not been increased for the livestock facility. (By-law 20-2007)

3.20.5 Location of Reconstructed Building

Where a non-complying building is removed or destroyed, such building may be reconstructed in a different location than the original building, on the same lot, provided that the new location does not further reduce the compliance with the provisions of the By-law to which the original building did not comply.

3.20.6 Time Limit

Where a non-complying building is removed or destroyed, such a building may only be re-established or reconstructed within 24 months from the date of destruction. After this period of time, the building may only be reconstructed in compliance with the provisions of the By-law.

3.21 Non-Conforming Uses (By-law 30-1991)

3.21.1 Continuation of Existing Uses

The provisions of this By-law shall not apply to prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully established and used for such purpose on the date of passing of this By-law, and provided that it continues to be used for that purpose. (By-law 30-1991)

Township of Howick Zoning By-law 23-1984, Consolidated

3.21.2 Building Permit Issued

The provisions of this By-law shall not apply to prevent the erection or use for a purpose prohibited by this By-law of any building or structure, the plans for which have prior to the date of passing of this By-law been approved by the Building Inspector, so long as the building or structure when erected is used and continues to be used for the purpose for which it was erected and provided the erection of such building or structure is commenced within 1 year after the date of the passing of this By-law; and such building or structure is completed within a reasonable time after the construction thereof is commenced. (By-law 30-1991)

3.21.3 Strengthening, Repair, or Renovation of Buildings or Structures Used for Non-Conforming Uses

Nothing in this By-law shall prevent the strengthening to a safe condition, the repair, or renovation of any building or structure, or part of any such building or structure, which use does not conform with the provisions of this By-law, provided such strengthening, repair or renovation:

- 3.21.3.1** Does not further reduce the compliance with the provisions of this By-law to which the building or structure does not comply, if any; and
- 3.21.3.2** Does not involve any alteration of use and the building or structure continues to be used for the same purpose; and
- 3.21.3.3** All other applicable provisions of this By-law are complied with. (By-law 30-1991)

3.21.4 Enlargement, Extension or Replacement of Non-Conforming Uses

The extension, enlargement or replacement of a non-conforming use, or building or structure for a non-conforming use, will require an amendment to the Zoning By-law.

3.21.5 Discontinued Non-Conforming Use

Where a use, building or structure which was lawfully established prior to the day of the passing of this By-law has been used for a purpose not permitted in the use zone in which it is situated but the said use has been discontinued for a period of 8 months or longer, the said building or structure may only be used again for a use that conforms to this By-law. (By-law 30-1991)

3.21.6 Replacement of Non-Conforming Uses

Where a building or structure has been purposely demolished or accidentally destroyed to the extent of more than seventy-five (75) percent of its value (inclusive of walls below grade) as at the date of damage and which does not conform with the requirements of this By-law in respect to use, lot occupancy or height, shall not be replaced except as permitted by the regulations of the zone in which the said structure or building is located. (By-law 30-1991)

3.21.7 Change of Non-Conforming Use

Where any land, building or structure on the day that the By-law was passed was lawfully used for a purpose prohibited by the By-law, the Committee of Adjustment may permit, by the authority of Section 34(10) or 45(2) of the *Planning Act*, as amended from time to time, the use of such land, building or structure for a purpose that, in the opinion of the Committee, is similar to the purpose which it was used for on the day the By-law was passed.

The Committee of Adjustment may, by the authority of Section 34(10) or 45(2) of the *Planning Act*, as amended from time to time, also permit a use that is more compatible with the uses permitted by the By-law other than the purpose for which it was used on the day the By-law

Township of Howick Zoning By-law 23-1984, Consolidated

was passed.

The prohibited use must be in place until the date of application to the Committee of Adjustment.

3.22 Number of Parking Spaces Required

The minimum number of parking spaces required for the permitted uses set out in this By-law is provided as follows:

Type of Use	Minimum Parking Requirements
Assembly Hall, Auditorium, Arena, Auction Sale Facility, Church, Community Centre, Flea Market, Funeral Home, Sports Field, Theatre	1 per 4 persons of maximum designed capacity of the facility

- 3.31.2 No building or structure shall be erected closer than 15 metres from the top-of-bank of a natural watercourse, a mutual agreement drain or open municipal drain having a width of between 4.5 metres and 7.5 metres from top-of-bank to top-of-bank; (By-law 30-1991)
- 3.31.3 No building or structure shall be erected closer than 30 metres from the top-of-bank of a natural watercourse, a mutual agreement drain or open watercourse or open municipal drain which is more than 7.5 metres in width from top-of-bank to top-of-bank. This Section does not apply to structures in the urban categories. (By-law 30-1991)
- 3.31.4 This provision shall not prevent any structures allowed in an NE 1 zone.

3.32 Surplus Farm Residence Severance

Where the County of Huron or its delegate has approved the severance of a surplus farm residence property the appropriate Zone Map in this By-law shall be amended to change the AG1 Zone to AG2-3 for the farm parcel and AG4-19 for the residential parcel, as applicable. These administrative amendments are permitted from time to time without further public notice or Council approval.

3.33 Truck Bodies and Storage Containers

- 3.33.1 No truck, bus, coach, or streetcar body, railway car caboose, or storage container shall be used for temporary or permanent human habitation.
- 3.33.2 Storage containers and similar structures may be used as an accessory use where permitted by the respective zone.
- 3.33.3 Storage containers associated with construction work shall be permitted in any zone while the main building is under construction. A storage container associated with construction work shall be removed within a period of 6 months following the issuance of an occupancy permit and any associated securities by the Chief Building Official.

3.34 Two or More Lots

Where 2 or more lots in a Plan of Subdivision are used together as a single parcel, they shall be deemed to form one lot, pursuant to Section 50(4) of *The Planning Act*, as amended from time to time.

3.35 Use of Parking Spaces and Areas

Any area where off-street parking is required under this By-law shall be used for no other parking purpose than for the parking of operative passenger vehicles and commercial vehicles used in operations incidental to the permitted uses on the lot, all bearing currently valid license plates.

Township of Howick Zoning By-law 23-1984, Consolidated

For the purposes of this subsection "commercial motor vehicle" shall mean any commercial vehicles as defined in the Highway Traffic Act.

Notwithstanding the foregoing, no person shall within any Residential Zone use any part of any front yard except the driveway for the parking or temporary storage of tent trailers, motor homes, land cruisers, truck campers, boats or motorized snow vehicles and no person shall use any part of a front yard in a Village for the parking or storage of a house trailer.

No person shall, in any Zone other than Recreational Trailer Park and Campground (RC2) use any tourist or travel trailer for the purpose of providing temporary or permanent living or eating accommodation. Sleeping accommodation may be provided in a tourist or travel trailer, for a period not exceeding fourteen (14) days, notwithstanding that such trailer is jacked up or that its running gear is removed.

3.36 Utility Services for the Public

- 3.36.1 The provisions of this By-law shall not apply to prevent the use of any land as a street or to prevent the installation of public services and utilities such as water mains, storm and sanitary sewers, gas distribution mains, railway lines, electrical sub-stations and transmission lines of 230 kv or less, pumping stations, flood and erosion control works, telephone and cable lines, and accessory utility service buildings and structures provided that:
- 3.36.1.1 The approval of the Municipality has been obtained;
 - 3.36.1.2 Approval has been given under *The Environmental Assessment Act*, R.S.O. 1980, as amended from time to time, as required.
 - 3.36.1.3 Utility service buildings in a residential area will require a rezoning to a Community Facility (CF) Zone;
 - 3.36.1.4 Any building or structure shall be designed and maintained in general harmony with buildings of the type permitted in the Zone;
 - 3.36.1.5 Any excessive noise or fumes resulting from such utility service shall be mitigated to reduce compliance issues with abutting residences;
 - 3.36.1.6 Any microwave communication tower must only be established in a General Agricultural (AG1) zone and Restricted Agriculture (AG2) zone. The setback from any property line shall be equal to the height of the tower.
 - 3.36.1.7 Electric power facilities which are subject to the provisions of *The Environmental Assessment Act*, as amended from time to time, are permitted uses in all zones, and are not affected by the provisions of this By-law. Electric power facilities which are not approved under *The Environmental Assessment Act* are permitted uses in all zones and are subject to the provisions of Section 3.X.1 (Utility Services for the Public).
 - 3.36.1.8 Commercial-scale wind energy facilities are only permitted in agricultural areas and municipally owned properties and are subject to site plan control.

3.37 Waste Disposal Sites, Restrictions Around Active and Closed

- 3.37.1 No new building or structure (amended by By-law 40-2022) should be erected within 500 metres from the perimeter of the fill area of any licensed waste disposal site or any closed waste disposal site until it has been determined by a qualified professional to the satisfaction of the Township that there will be no adverse off-
