KICKING OFF THE summer

This year's "Strawberry Summer Kick-Off" on June 21 at the Red Top Berries' strawberry patch featured the opportunity to cuddle a chick or bunny, photo minis, kid's craft, tattoo booth, yoga, BBQ lunch, gourmet popsicles, and more. The Fordwich Parks Board has now hosted this event for two years. Patch owner Arien Nagel mentioned it was a little stressful knowing whether the berries would be ready for picking on time this year. Thankfully there were plenty of juicy berries available.

WHEN LIFE IS HARD

Have you ever had it when you bought a new vehicle of a specific colour, let's say royal blue like my van, then all of a sudden you're seeing that same vehicle all over the place?

I'm having a similar experience lately, hearing about other young men who have died recently, often leaving behind their young children. It's heart-breaking and confusing and I'm not quite sure what to do or think about it. Maybe there's some comfort that we're not alone in our hard experiences. Our family is navigating all those 'firsts' without my brother-in-law Marcel. Sometimes the memories or thoughts catch you off guard, or your kids bring up random questions about him or about death. These men leave such a hole in their families and their communities, touching more people than you may have realized otherwise. It doesn't always feel right, but we carry on. We try not to take life and the people around us for granted, but we'll still get frustrated by the little things, even when they don't really matter in the grand scheme of things.

I pray that if you've recently been dealt a hard hand and are grieving the loss of a loved one – know that you're not alone, whether by the people around you, or the God who loves you. May He be your strength when it feels too hard.

UPDATE

HOWICK CENTRAL PUBLIC SCHOOL

SUBMITTED BY PAUL MENARY, PRINCIPAL

June has been a very busy and exciting month here at Howick CPS, filled with memorable events and celebrations!

Throughout the month, students participated in various trips, excursions, and welcomed special guests, all of which added rich learning experiences and plenty of fun. Our Junior and Intermediate students proudly represented our school at Track and Field, while our Primary students enjoyed a fantastic Track and Play Day full of energy and smiles.

We also hosted a Bike Rodeo run by our local Optimist Club, promoting bike safety and skill-building. A big highlight was our Electives Day for students in Grades 3–8, which was organized by our amazing staff and spearheaded by Ms. Kaufman. Students had the chance to explore new interests in a day full of creativity and excitement.

Welcome to our Team!

We are pleased to welcome Ms. Smith to our school community and look forward to the wonderful contributions she will bring.

A Special Retirement

After years of dedicated service, we are celebrating the retirement of our beloved secretary, Mrs. Kaufman-Binkley. Her warmth, organization, and unwavering support have been a cornerstone of our school. We wish her all the best in this exciting new chapter — you will be deeply missed!

Thank you to our students, families, and staff for a fantastic school year. Wishing everyone a safe, relaxing, and joyful summer!

HOWICK BLOOMERS

**JUNE
UPDATE**

As the old song says, "June is busting out all over". Definitely true in most gardens where many plants are at the peak of their flowering. Irises are no exception. There are several forms of irises.

Dutch iris, the creamy white pictured iris, are grown from bulbs and often used by florists, especially in Europe. Like all iris they come in a wide range of colours.

Siberian iris do well when planted in a fairly shady spot where the soil is usually moist. The Siberian iris pictured here are growing in a corner between a wall and a yew tree.

German iris are probably the variety most people are familiar with. They come in a wide variety of colours and colour combinations. Grown from rhizomes planted only partly in the soil they are hardy and eye catching. Left alone they form a sizeable clump of strong sword shaped leaves that add visual interest in the garden even when they are not in bloom.

Howick Bloomers will be meeting Monday, July 14 at 2 pm in the library meeting room. Plans are underway for several upcoming events.

LOCKIE, David Edward (1939-2025) passed away peacefully at Royal Terrace residence after a brave struggle with complications from beating cancer. Dave met the love of his life and married Joyce in 1963 and together they raised 5 children, Brenda, Coral, Margaret, Charlotte, and Stewart. Dave was a devoted loving husband and father and a trusted friend. Known

for his infectious smile, kind words, engaging conversations, and generosity, Dave was actively involved in his community supporting the church and social events. Dave always loved music and to sing and dance, enjoyed sports, played hockey and baseball, coaching the latter. Dave had a passion for gardening and was an exceptional handy man – he could repair just about anything. Dave was a great outdoorsman, loved to hunt and fish or just enjoy a walk through the bush, especially in Algonquin. Dave and Joyce loved to camp together and travel. They travelled together in the USA, across Canada and went on their dream trip to Alaska. Dave is survived by his wife of 62 years, Joyce; his children Brenda (Todd), Coral, Margaret (Jason), Charlotte (Cleon), Stewart (Denise); and his grandchildren, Melissa, Chantelle, Mitchell, Alex, Adam, Shayla, Aspen, Allison, Hunter, Nicole; his great grandchildren Ayden, Lyra, Sierra, and Wyatt. Dave is also survived by his only brother Bill (Marilyn). Dave was predeceased by his parents, Stewart and Ruth Lockie and his son-in-law Gord. A private service was held for immediate family at the Eaton Funeral Home, Listowel on Saturday June 14, 2025. Memorial donations to Listowel Memorial Hospital or the Palmerston Hospital would be welcomed. Online condolences at www.eatonfuneralhome.ca
