## THE SEASON OF GIVING

The Howick Optimist Club has recently donated \$2,000 to Howick Central Public School. The cheque was presented by Optimist Club President Ben Blackmore to support an update to the school's non-fiction library collection. The funds will help the school refresh and expand its selection of educational resources for students across all grades.

The Optimist Club continues its mission of encouraging and improving opportunities for young people in Howick, and this contribution is part of their commitment to strengthening local education.

The Club also acknowledges the generosity of several local funeral homes, which collected community donations and chose to direct those funds to the Howick Optimists. The Club gratefully accepts this support and ensures it is put to meaningful use, including contributions to programs such as the Dolly Parton Imagination Library, which provides free books to young children in the community.

## NEW, 49-SPACE LICENCED CHILDCARE FACILITY PROPOSED FOR HOWICK TOWNSHIP

November 25, 2025 – The Township of Howick is pleased to announce its intention to build a child care facility to bring 49 licenced childcare spaces to Howick Township by the end of 2026.

Howick Township has applied to the County of Huron for \$2 million dollars of infrastructure funding under the 2022-2026 Canada-Wide Early Learning and Child Care (CWELCC) system, which is a federal-provincial agreement between the Government of Canada and the Province of Ontario to make licenced child care more affordable and accessible.

The application proposes the construction of a licenced child care facility to be located adjacent to the Howick Community Centre. Staff are planning for an opening operating capacity of 10 infant spaces, 15 toddler spaces and 24 preschool spaces, with the ability to expand the centre in the future based on community need. A dedicated Before and After School room is also included in the proposed plans to accommodate the

## SHIFTING MOODS

The days get darker, the nights longer, the temperature cooler. Mud is everywhere, it's hard to keep on top of cleaning, and everyone is starting to get squirrely from being inside more. It's a perfect storm for a moody mom. It doesn't help that I'm an introvert who appreciates a bit of space and some quiet on a regular basis. So when the kids are within close proximity in an enclosed space for long periods of time, it can rapidly drain my energy.

Stringing up the Christmas lights in November can help combat the darkness, but without snow the kids aren't keen to play outside quite yet. Sometimes they're willing to go play in the barn – jumping in the straw, helping push up feed with their little shovels, or simply riding their bikes down the feed alleys. I'm grateful for this space where the kids can freely move, instead of having to contain all their energy after long days at school.

Soon enough the snow will fly, and I think I'm ready for it. Instead of sledding down muddy hills of topsoil, they can glide more gracefully down fluffy white slopes and not require a load of laundry when they're done... They look forward to snow forts, snow ball fights, snow angels, and most things winter related. Hopefully I will feed off their energy yet also enjoy the warmth of hot chocolate.

Blessings to you and yours this Christmas season, regardless what your mood is. May we focus on the true meaning of Christmas and not get caught up with the stress of meeting all the seasonal expectations.

## BY-LAW: WINTER PARKING REMINDER

As we head into the winter season, the Township of Howick reminds residents that **street parking is not permitted between 1:00 a.m. and 7:00 a.m. from November through March.** This restriction ensures snowplows can safely and effectively clear the roads.

Please also remember that vehicles cannot be parked:

- On sidewalks, crosswalks, or within 6m of intersections.
- Within 3m of fire hydrants.
- Blocking driveways, in fire routes, or beside another parked vehicle.
- For more than 24 hours on any roadway.
- In accessible or school bus zones unless authorized.

Following these rules helps keep our roads clear and safe for all residents, especially during winter weather. Per the Howick Township Parking By-law 05-2021, Section 6, vehicles found in violation of the by-law may be ticketed or towed at the owner's expense.

Rosie is a white fluffy pony that looks like a unicorn with no horn. She is one of many animals at the Peters farm. Before Rosie came to the Peters farm, she arrived at someone else's house in a trailer full of cattle from out west, and then once the kids at that house outgrew her she went to a couple other places until she ended up at the Peters farm! Rosie loves the cold fluffy snow but does not like other horses, so she stays by herself in a different pen. She also loves to eat and is excited every morning for her morning snack! Rosie makes the perfect little pony!

program Howick Township already offers to Howick Central Public School students. The Before and After School room would also be utilized for Howick's day camp program that runs annually throughout the summer months, during holiday school breaks and on P.A. Days.

After receiving Howick Council's endorsement to proceed with the application for funding, Howick staff are working together with all partners to ensure that plans for the facility meet all licensing requirements, regulatory standards and quality benchmarks so that Howick families can have reliable, inclusive and affordable child care close to home.

"Making licenced child care accessible for Howick Township residents is a top priority," emphasizes Howick Chief Administrative Officer/Clerk Caitlin Gillis. "Anyone with young children knows there is a real childcare crisis right now. Being able to offer 49 childcare spaces to our community is life-changing for many local families. Most families require both parents to be employed in the workforce just to afford the everyday essentials, but what do you do when there is nowhere to send your preschool aged children within your community? It's a big problem that needs to be addressed."

Howick only has one licensed, home-based child care provider currently offering six childcare spaces for the entire community of over 4050 people. Over 7.6% of Howick's population is between the ages of 0-4, greater than the overall Huron County 0-4 population rate of 5.6%.

"We believe that smaller, rural communities like Howick Township that are underserved have a greater need for childcare spaces and we would like to provide that for our residents," said Gillis. "Establishing a licenced child care facility in Howick presents a long-term strategic investment that aligns with the municipality's goals to attract and retain young families by increasing access to affordable, high-quality child care and to support workforce participation, by enabling parents to return to or remain in employment. Access to quality child care is also crucial for local economic growth and small business sustainability. It allows parents of young children to be available for work, reducing employee turnover, boosting productivity and reducing absenteeism."

The proposed new centre is part of the 264 new child care spaces allocated to the County of Huron to be created before the end of 2026 through the CWELCC initiative. Preliminary cost estimates for the licenced child care facility are approximately \$5 million, but Howick staff and a volunteer child care committee are working diligently to reduce those costs while maintaining the number of available spaces. Once all plans have been finalized and costing information has been received, Howick will provide an update to the community including fundraising plans for the construction of the facility. The \$2 million-dollar CWELCC funding is a huge step towards making the facility a reality for Howick families.

The November 6th meeting was held at 7:00 p.m. in the Brussels Library. Seven members were present. Upcoming events were presented by the President, Blair Smith. On November 20th our meeting was at the Palmerston Outdoor Market. There were opportunities to take photos twinkling lights, holiday fun characters, a fire and Christmas Music to video. It was a great evening to practice outdoor lighting photography. Christmas Dinner will be potluck on Thursday, December 4th. Mark Robinson and Gary Moon will be at our dinner and presentation. We will review our Palmerston photos and they will give us some directions with the photos.

Members will serve hot chocolate and apple cider at the Brussels Library on December 6th at the Santa Claus Parade. A great opportunity for people to find out more about the club and present our photography.

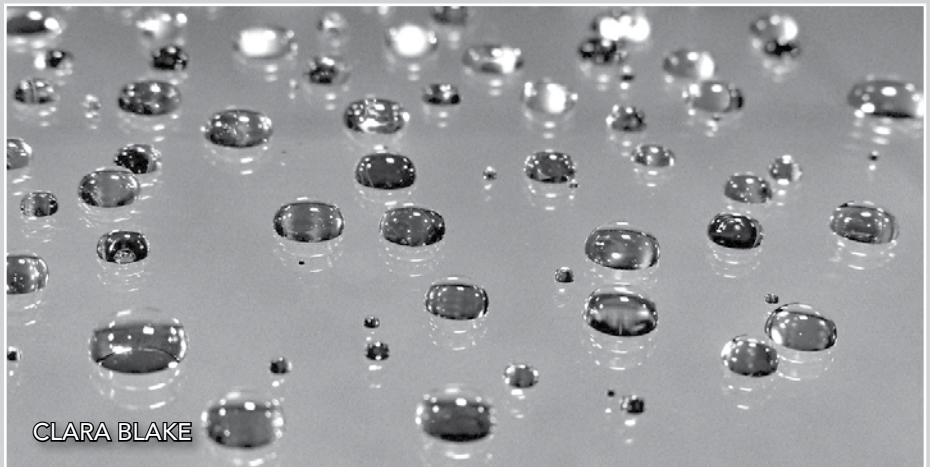

Our group will be taking photos at the Neustadt Springs Brewery. We are currently setting up some potential dates.

Our water photo shoot was very interesting. Blair set up the water drop photography equipment. Clara and Joan provided the glassware, and materials needed for the other tables for the water set up. It was a fun and challenging evening.

**WILLIAMS, James Frederic** of Fordwich passed away at St. Joseph's Health Centre, Guelph, on Sunday, August 31, 2025, in his 80th year. Husband of Annie (Stubbe) Williams. They would have celebrated their 60th wedding anniversary on September 3rd. Father of Lee & Sharon (Hartung) Williams of New Liskeard, Paul & Anne (Peckover) Williams of Markdale, and Melanie &

Cameron Hill of Kenilworth. Grandfather of Matthew Williams & Leslie Bowman, Nathan & Claire (Coenen) Williams, Sarah & Branden Wilkinson, Jenna & Jesus Bondo, Ben Williams, Jonathan Hill, Eliana Hill, Mikayla Hill, and Steven Hill, and great-grandfather of Wrenley Wilkinson. Jim farmed his entire life on various properties between Oxford and Perth counties, ending up at the farm on the sixth of Wallace. He enjoyed milking cows, raising beef cattle and working the fields. He also took great enjoyment in cutting firewood, and spending time in the bush. On the side he enjoyed working at the Wallace landfill and driving for Stop 23. His faith is a legacy that he has left behind as an example for his family to follow. While the last few years became challenging due to his Alzheimer's, we are forever grateful for the time and care he received at St Joseph's Health Centre in Guelph. Special thanks to Drs. Sid and Graham, nurses Thimo, Chandra and Chayse and the rest of the team at Whispering Oaks Palliative care unit for their compassion and kindness. Visitation was held at the Eaton Funeral Home, Listowel on Wednesday from 5:00 to 8:00 p.m. The funeral service was held at Listowel Baptist Church on Thursday, September 4, 2025 at 11:00 a.m. Pastor Mike Hutchinson officiating. ## **MCARTHUR, Donald William,**

formerly of Fordwich, passed away on Thursday, November 13, 2025, in his 96th year. Beloved husband of the late Ruth (Mahnke McComb) McArthur. Stepfather of Louise Douglas of Guelph, Janice & Bob Howitt of Fordwich, and Marie & Richard Dodd of Wasaga Beach. He will be remembered by his grandchildren Dawn Douglas, Christine

& Keith Kitchener, Lisa Sage, Jessica Dodd & Chad Lehman, Jennifer & Mike Pryzmant, and Kevin Meyer, by his great-grandchildren Riley, Reese, Tyson, Brooklin, Matthew, Melissa, Cole, and Kayla, and by his nieces and nephews. Predeceased by his granddaughters Darlene Douglas and Angela Meyer, brothers Keith McArthur and Albert McArthur, and by his sister Wilda Best and husband Ken. Don was born in Brampton on October 22, 1930 and grew up on the family farm. In the early 70's he met Ruth on a blind date and they were married on September 1, 1972. While Don had no formal training in the trades, he could work at any of them – mechanics, electrical, plumbing, carpentry, HVAC, etc. When Don & Ruth moved to Waterloo, they started Don's Trailer Service and ran a successful business for 18 years. They enjoyed several trips through work, camping with the Wandering Canadians, and finally enjoyed a permanent trailer site at Maple Leaf Acres near Fergus. In their 80's, Don and Ruth, with their cat, Lucky, took their camper to Alberta, the Grand Canyon, and back home. Don and Ruth retired to Fordwich in 1999, and enjoyed many years of large remodeling projects, designing, landscaping, and even taking time to 'camp at the river'. During the winter, Don found a new hobby. Woodworking. As many as 200 toys a year were donated to various charities at Christmastime. As his health declined, Don moved to Caressant Care, Listowel, and life was not the same. He greatly missed sitting at the scroll saw among so many other things. Don never wanted to be dependent, and now he is free – sitting somewhere at his scroll saw, making toys and enjoying the love and company of Ruth and the other friends and relatives that have gone on before. A family funeral service was held at the Hardy-Lee Funeral Home, Harriston on Tuesday, November 18, 2025 with Gail Clarkson officiating. Interment in Fordwich Cemetery. Memorial donations to Caressant Care Listowel Residents' Council, or to a charity of your choice would be appreciated.

**ROWLEY, Stewart Clifford** of Fordwich passed away peacefully on Tuesday, November 25, 2025, in his 90th year. Husband of the late Joan (Watson) Rowley. Father of Roger & Mary Lou Rowley of Clifford, Glen & Donna Rowley of Belmore, and Richard & Cheryl Rowley of Fordwich. Grandfather of Whitney & Pat Terwoord of Palmerston, Mitch & Alicia Rowley

of Fordwich, Stephanie Rowley of Toronto, Mark Rowley of Walkerton, and Jenna Rowley of Fordwich, and great-grandfather of Russel, Leo, Chase, and Colton. Predeceased by his sisters Marie Stonehouse and Joan Latour, and his dear friend Bernice Noble. A private family service will be held, with interment in Fordwich Cemetery. Memorial donations to Listowel Memorial Hospital Foundation would be appreciated, and may be made through the Eaton Funeral Home, Listowel. Online condolences may be left at [www.eatonfuneralhome.ca](http://www.eatonfuneralhome.ca)
